**RECORD OF ANNUAL TOWN MEETING  
TOWN OF BOW  
March 10–11, 1992**

Moderator John Lyford opened the March 10, 1992 meeting at 10:00 A.M.

The meeting adjourned at 7:00 P.M. and was reconvened by Moderator John Lyford Wednesday, March 11, 1992 at 7:00 P.M. at Bow Memorial School. The presentation of colours by Girl Scouts Brianna Hill from Girl Scout Troop #972; Katie Waples and Elizabeth McMillen from Girl Scout Troop #2092; and Jennifer Voelker from Girl Scout Troop #509 was followed by the Pledge of Allegiance.

John Sheridan then presented the “Bow Men’s Citizen of the Year” award to Leon Tucker.

Moderator John Lyford then introduced the head table, department heads and budget committee members.

**Article 1**

The results of the Town ballot elections were read as follows:

Town Clerk/Tax Collector	– Cynthia Batchelder	– 997 votes
Selectmen	– Eric Anderson	– 870 votes
	– Horace W. Bailey	– 238 votes
Treasurer	– Mark Lavalle	– 865 votes
Moderator	– John T. Lyford	– 1004 votes
Supervisor of Checklist	– Cynthia A. Gow	– 981 votes
	– Sara H. Swenson	– 864 votes
Budget Committee	– John R. Burton III	– 597 votes
	– Christopher Parkinson	– 745 votes
	– Sara Swenson	– 524 votes
Trustee of Trust Funds	– Edwin H. Bardwell	– 937 votes
	– Peter Winship	– 951 votes
Library Trustee	– William J. Cohen	– 939 votes
	– Gordon R. Blakeney	– 476 votes
	– Elizabeth D. Lund	– 525 votes

**Article 2**

Are you in favor of the adoption of an Amendment of the Bow Zoning Ordinance as follows: Table of use regulations, (Section 5.02, e-3) “Hospital, nursing home and elderly housing, clinic and health maintenance or center” to permit this use only by a “Variance” rather than by the present “Special Exception” in a Residential Zone. This article was submitted by petition and was approved by the Planning Board in a 3 - 2 vote.

Yes - 637

No - 312

The School Board Elections results were also read as follows:

School Board - 3 years	– Pansy W. Bloomfield	– 365 votes
	– Paula M. Bundy	– 126 votes
	– Gerard H. Carrier	– 303 votes
	– Rick Hiland	– 272 votes
	– Catherine Cassidy Hirsch	– 530 votes
	– Marie R. McMillen	– 409 votes
	– F. Anne Ross-Raymond	– 137 votes
School Board - 1 year	– Erle Pierce	– 847 votes

Moderator John Lyford reviewed the meeting process. Motion was moved by Al Ward and seconded by Sara Swenson.

It was voted to stick with the Robert Rules of Order rather than with a new State Law which was read as follows:

A new state law gives voters at this meeting the option to adopt a new procedure regarding reconsideration of warrant articles. Under the new law voters MAY decide that reconsideration of any warrant article shall take place at an adjourned session held at least 7 days after today. This means that if the voters approve a motion of reconsideration of, let's say, Article 3 then Article 3 cannot be actually debated and voted upon until a future meeting at least more than 7 days after today.

You are not required to adopt this new procedure. It is simply an option for this body. We could continue to use the procedure that the previous town moderator has used and that the school district moderator has used. The old procedure is that reconsideration of warrant articles can take place tonight so long as the motion for reconsideration is made immediately after the vote on the warrant article that the voters wish to reconsider.

Both procedures assure that those who vote on a warrant article will have proper notice of any reconsideration. The difference is that under the old procedure reconsideration is done today and under the new procedure reconsideration is done at an adjourned meeting more than 7 days after today.

The Town and School district moderators recommend staying with the old procedure and recommend that whatever procedure you adopt it should be the same for both Town and School meetings.

### Article 3

Was moved by Al Ward and seconded by John Burton. Selectman Reginald Scott explained the article.

The article to see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000.00) for an annual Town Celebration to be held during the month of July was defeated.

(Not recommended by the Budget Committee)

## **Article 4**

Was moved by John Sheridan and seconded by Norman Rhodes. Selectman Eric Anderson explained this article.

It was voted to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) as matching funds to participate in the State Aid Reconstruction Program with the State of New Hampshire: 2-1 ratio (State to Town) for the repair and improvement of Class II Highways.

(Recommended by the Budget Committee)

## **Article 5**

Was moved by Al Ward and seconded by John Burton. Selectman Reginald Scott explained this article.

It was voted to raise and appropriate the sum of Twenty-Nine Thousand Dollars (\$29,000.00) for various repairs and maintenance of the Municipal Building.

(Recommended by the Budget Committee)

## **Article 6**

Was moved by Al Ward and seconded by John Burton. Selectman Richard Bean explained this article.

It was voted to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for various repairs and maintenance of the Community Building.

(Recommended by the Budget Committee)

## **Article 7**

Was moved by Al Ward and seconded by John Burton. Selectman Eric Anderson explained this article.

It was voted to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000.00) to be added to the Fire Department Capital Reserve Fund for a Pumper/Tanker for the Fire Department.

(Recommended by the Budget Committee)

## **Article 8**

Was moved by Al Ward and seconded by Sara Swenson. Selectman Eric Anderson explained this article.

By a STANDING VOTE of 119 no's and 90 yes the article to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purchase of an air bottle compressor for the Fire Department and to authorize the withdrawal of Five Thousand Dollars (\$5,000.00) from the Fire Equipment Capital Reserve Fund; The Balance of Five Thousand Dollars (\$5,000.00) to come from general taxation was DEFEATED.

(Recommended by the Budget Committee)

## **Article 9**

Was moved by Al Ward and seconded by Sara Swenson. Selectman Reginald Scott explained this article.

It was voted to raise and appropriate the sum of Nineteen Thousand Dollars (\$19,000.00) for the purchase of a start generator for the Fire Department and authorize the withdrawal of Seven Thousand Five Hundred Dollars (\$7,500.00) from the Fire Equipment Capital Reserve Fund. The balance of Eleven Thousand Five Hundred Dollars (\$11,500.00) is to come from general taxation.

(Recommended by the Budget Committee)

## **Article 10**

Was moved by Al Ward and seconded by Robert Wester. Selectman Richard Bean explained this article.

By HAND VOTE it was voted to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00) to purchase a plow/sander truck for the Highway Department and authorize the withdrawal of Seventy Thousand Dollars (\$70,000.00) from the Highway Equipment Capital Reserve Fund.

(Recommended by the Budget Committee)

## **Article 11**

Was moved by Al Ward and seconded by Sara Swenson. Selectman Richard Bean explained this article.

It was voted to raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000.00) said sum to be added to the Highway Construction Capital Reserve Fund for the improvement of the following roads and intersections:

- |   |              |
|---|--------------|
| 1. Page Road / Brown Hill Road Intersection     | – \$2,000.00 |
| 2. Bow Center Road / Bow Bog Road Intersection  | – 2,000.00   |
| 3. South Bow Road / Dunbarton Road Intersection | – 2,000.00   |
| 4. Hollow Road                                  | – 2,000.00   |
| 5. Grandview Road                               | – 2,000.00   |
| 6. River Road, Ferry Road Intersection          | – 2,000.00   |
| 7. Putney Road                                  | – 2,000.00   |

(Recommended by the Budget Committee)

## **Article 12**

Was moved by Ernest Simonds and seconded by Ethan Howard. Selectman Reginald Scott explained this article.

The article to see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to be added to the Highway Equipment Capital Reserve Fund for a plow/sander truck for the Highway Department WAS AMENDED TO: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand

Dollars (\$15,000.00) to be added to the Highway Equipment Capital Reserve Fund; and PASSED AS AMENDED.

(Recommended by the Budget Committee)

We then took a 10 minute break – from 8:30 PM–8:40 PM

### **Article 13**

Was moved by Al Ward and seconded by Sara Swenson. Selectman Reginald Scott explained this article.

The article to see if the Town will vote to permit the use of the Town Forest for recreational purposes including a pistol/rifle range for use by the Police Department WAS AMENDED TO: To see if the Town will vote to reject and exclude from use of any of the Town Forest the use of a pistol/rifle range by the Police Department or any other person or group; and PASSED AS AMENDED.

### **Article 14**

Was moved and seconded. Selectman Eric Anderson explained this article.

It was voted to authorize the Selectmen to execute a quitclaim deed to Mobil Oil Corporation releasing any interest the Town may have in and to a triangular parcel of land located easterly of South Street and southerly of the Bow Mobil Station, so-called, being Tax Lot 1-48C, as well as any land adjacent thereto which may be between such lot and the existing easterly sideline of South Street and between Mobil's existing lot and the existing easterly sideline of South Street, and to take any further action relating thereto.

### **Article 15**

Was moved by Al Ward and seconded by John Burton. Selectman Reginald Scott explained this article.

It was voted to rescind its previously authorized sale of bonds in the amount of \$262,750.00 (November 9, 1983) for the purpose of constructing sewerage and sewage treatment facilities.

(Recommended by the Budget Committee)

### **Article 16**

Was moved and seconded. Selectman Richard Bean explained this article.

It was voted to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the Town for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town Meeting.

## **Article 17**

Was moved and seconded. Selectman Eric Anderson explained this article.

It was voted to authorize the Board of Selectmen to dispose of a lien or tax deeded property in accordance with the provisions of RSA 80:80.

## **Article 18**

Was moved by Al Ward and seconded by Robert Wester. Selectman Richard Bean explained this article.

It was voted to adopt the provisions of RSA 76:15a which would provide for the semi-annual collection of property taxes.

## **Article 19**

Was moved by Al Ward and seconded by Ethan Howard. Al Ward spoke on this article.

After deleting \$10,000.00 from Article #8; \$7,000.00 from Article #3; and \$15,000.00 from Article #12 a total budget of \$3,331,156.00 was PASSED.

## **Article 20**

Was moved by John Sheridan and seconded by Norman Rhodes. Selectman Reginald Scott explained this article.

It was voted to authorize the Board of Selectmen to apply for, accept and expend, without further action of the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year.

## **Article 21**

Was moved by Norman Rhodes and seconded by Robert Wester. Selectman Richard Bean explained this article.

It was voted to authorize the Board of Selectmen to establish or amend fees as provided for in RSA 41:9a.

## **Article 22**

Was moved and seconded.

It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

## **Article 23**

Selectman Richard Bean informed us that a five (5) man board Cable Committee has been established and that it is VERY IMPORTANT to get back the forms.

Also, the polls will be open from 7:00 AM – 7:00 PM for the State and Federal Elections.

## **Article 24**

Cedric Dustin suggests that the Selectmen consider inserting copies of RSA's.

There being no further business, the meeting adjourned at 10:30 PM.

Respectfully submitted,

**CYNTHIA BATCHELDER**  
Town Clerk

## SELECTMAN'S MESSAGE

During the 1980's, there were attempts in many towns to delay growth since most of the growth was residential. This was having a serious effect on tax rates due to the required growth in schools, highways, fire equipment, etc.

The last four years of the recession have given us a breathing period during which we have completed a new Master Plan. We have also completed water and sewer studies. This valuable information will assist us in our future plans and help us balance residential, commercial and industrial growth in order to keep a desirable tax rate.

Voting hours were changed in 1992 to help the early birds. The new hours are 7 A.M. to 7 P.M. We have had excellent voter turnout

The municipal portion of the town budget for 1993 shows nearly a 6% decrease over last year.

With a lot of volunteer work from the Rotary Club and a gift from the Bow Men's Club, we intend to renovate the Old Town Hall on Bow Center Road without

affecting its historical value. A \$15,000 appropriation from the town this year to supplement the donations will provide us with a very desirable location for small group meetings with adequate water and sewer facilities.

Twice a year tax billing will start in 1993. This will save the town thousands of dollars we won't have to pay in interest on money borrowed in anticipation of taxes.

The legal case regarding the tax assessment of Public Service Company of N.H. for the years 1987, 1988, 1989 and 1990 will be scheduled early in 1993. We feel we have a lot of support for a decision in our favor.

Residents eligible for veteran's, elderly,

*Driven by Town Manager Al St. Cyr, the Board of Selectmen participated in the Summerfest '92 parade. (L-R Selectmen Eric Anderson, Richard Bean and Reginald Scott) Photo provided courtesy of Richard Broussard.*

blind or current use exemptions are reminded to file by April 15. Also, if there is a change in your marital status or place of residence within the town, you should come in to reapply.

A new computer program being used in Bow will update all property assessments annually. We are proud to be one of 6 New Hampshire communities that will keep property values at 100% and save costs of future revaluations.

An article in the Town Warrant providing space for a turn around and some additional parking at Turee Pond was requested by N.H. Fish & Game. With the approval of this article, they have offered to put in a permanent boat ramp and a dock which will be usable by the handicapped. A toilet facility will also be provided. The existing dirt ramp owned by Fish & Game is unstable and washes into the pond.

The town will ask the State Legislature for legislation restricting the size of motors on Turee Pond. This is for safety concerns and for conservation reasons.

We wish to express our thanks to all commissions, committees, boards and employees for their hard work and accomplishments this year.

REGINALD R. SCOTT  
RICHARD F. BEAN  
ERIC E. ANDERSON

Board of Selectmen

## TOWN MANAGER'S REPORT

The year 1992 was a difficult year economically for many people in Bow as well as elsewhere. Even though it was a difficult year the Town was able to provide its usual municipal services. This was largely due to the support given the Town by its people and the willingness of Town employees (Schools and Town) to freeze their wages for 1992. Additionally, the Town experienced a very low welfare case load and a near normal tax collection. As a result, municipal services continued as before.

The Town's single largest taxpayer, Public Service Company of New Hampshire, paid its property taxes on time as is its practice. The difference of opinion between the Town and PSNH relative to the values placed on its properties by the Town for tax purposes continues. PSNH has taken its appeal for abatement of property taxes for the years 1987, 1988, 1989 and 1990 to the Merrimack County Superior Court. The actual hearing or trial on these appeals has yet to be scheduled by the Court.

The Town had three personnel changes during 1992. Annette Currier, secretary to the Police Chief, died of cancer. She had served our Town since December of 1984. She was the wife of Bud Currier, our Building Inspector. Bud and Annette had three daughters. She is missed by all of us.

Martin Ardine, our youngest police officer, accepted a similar position with the Hooksett Police Department. Marty was our DARE officer and worked closely with our school-age population on drug awareness programs. He was employed by the Town in 1987.

Robert Bennett, one of our highway maintenance men, became the Road Agent of Sutton. Bob was an experienced road maintenance person who had joined our staff in 1991.

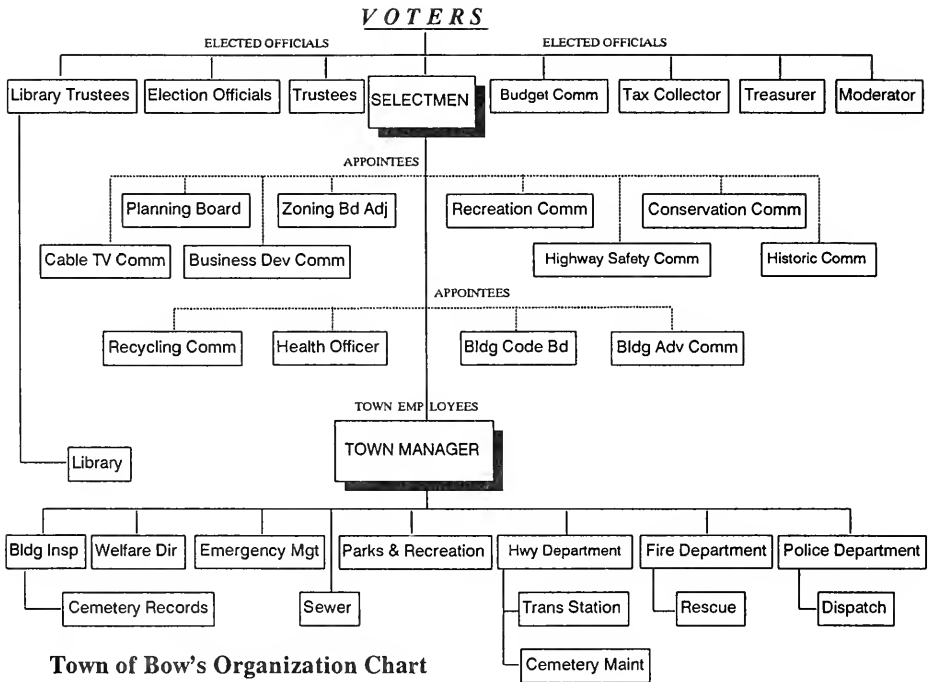

During 1992, SAU 67 moved in with us. The Town now provides office space to the Superintendent of Schools, the Business Manager and the SAU Secretary. In addition to office space, the Town shares its bookkeeper with the SAU. The arrangement has worked out very well thanks to the amiable personalities of the people involved.

The Town continues to be selected by people searching for new home towns. Bow will continue to grow because of its location and natural amenities. Pressures will also continue for more and better municipal services. Elected officials and citizens will have to closely monitor such pressures in the interest of keeping cost increases to a minimum. The cost of providing municipal services will continue to escalate. Our challenge is to keep them as low as possible.

I wish to take this opportunity to thank the members of the Board of Selectmen, other elected and appointed officials and especially the Town staff for their cooperation and assistance in providing the level of service which is desired and expected by the citizens of Bow.

Respectfully submitted,

ALBERT R. ST. CYR  
Town Manager

Anderson/PC 1-15-1992

**TOWN WARRANT**  
**1993 Meeting of the Town of Bow**  
**The State of New Hampshire**

To the Inhabitants of the Town of Bow in the County of Merrimack, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Bow Community Building in said Bow on Tuesday, the 9th day of March, 1993, at 7 o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 through 3 will be by official ballot and the polls shall be open for balloting at 7 o'clock in the forenoon and shall not close before 7 o'clock in the evening.

You are hereby notified, in accordance with the provisions of RSA 39:1-a; adopted at the 1980 Annual Meeting of the Town of Bow, to meet at the Bow Memorial School in said Bow on Wednesday, the 10th of March, 1993 at 7 o'clock in the evening to consider the remaining Articles on the Warrant.

1. To Choose by non-partisan ballot the following Town Officers:  
One Selectman for three years  
A Treasurer for one year  
A Town Clerk/Tax Collector for one year  
Two Budget Committee members for three years  
One Trustee of Trust Funds for three years  
One Library Trustee for five years
2. Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows:  
Change the zoning classification from "R" (residential) to "C" (commercial) of a small triangular parcel of land designated as Block #1, Lot 49 on the town tax map and bounded by Valley Road, Logging Hill Road and Interstate 89 and to change Block #1, Lot 114, commonly known as the interchange of I-93/89.  
(Recommended by the Planning Board and Zoning Board)
3. Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the town zoning ordinance as follows:  
Add this phrase to the day care regulations in Supplemental Regulations: All day care center as defined herein in Bow be required to have restrictive fencing, as approved by the Town of Bow permit issuing authority, enclosing all outdoor play areas, for the safety of the children.
4. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) as matching funds to participate in the State Aid Reconstruction Program with the State of New Hampshire: 2-1 Ratio (State to Town) for the repair and improvement of Class II Highways.  
(Recommended by Budget Committee)
5. To see if the Town will vote to raise and appropriate the sum of Sixteen

Thousand Dollars (\$16,000.00) for improvements to the Old Town Hall and to authorize the withdrawal of One Thousand Six Hundred and Ninety-Five Dollars (\$1,695) from the Old Town Hall Capital Reserve Fund. The balance of Fourteen Thousand Three Hundred and Five Dollars (\$14,305) is to come from general taxation.

(Recommended by Budget Committee)

6. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000.00) for a generator for the Municipal Building.

(Recommended by Budget Committee)

7. To see if the Town will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of purchasing a 4-wheel drive vehicle for the Police Department and to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be placed in this fund.

(Recommended by Budget Committee)

8. To see if the Town will vote to authorize the Selectmen to enter into a 3-year lease purchase agreement for the purpose of leasing a fire pumper-tanker for the Fire Department, and to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the first year's payment for that purpose and authorize the withdrawal of Twenty-Five Thousand Dollars (\$25,000.00) from the Fire Equipment Capital Reserve Fund. The balance of Twenty-Five Thousand Dollars (\$25,000.00) is to come from general taxation.

(Recommended by Budget Committee)

9. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be added to the Rescue Vehicle Capital Reserve Fund previously established.

(Recommended by Budget Committee)

10. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be added to the Highway Equipment Capital Reserve Fund previously established.

(Recommended by Budget Committee)

11. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00) for the purchase of a pickup truck for the Highway Department.

(Recommended by Budget Committee)

12. To see if the Town will vote to raise and appropriate the sum of Twenty-Eight Thousand Dollars (\$28,000.00) to be added to the Highway Construction Capital Reserve Fund previously established for the improvement of the following intersections:

1. Page Road / Brown Hill Road Intersection \$8,000

2. Bow Center Road / Bow Bog Road Intersection \$20,000

(Recommended by Budget Committee)

13. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000.00) for the improvements of South Bow Dunbarton Road and authorize the withdrawal of Nineteen Thousand (\$19,000.00) from the Capital Reserve Fund created for that purpose. The balance of Sixteen Thousand Dollars (\$16,000.00) is to come from general taxation.  
(Recommended by Budget Committee)
14. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the purchase of a 17 ± acre parcel of land located at the corner of Logging Hill Road and Knox Road.  
(Recommended by Budget Committee)
15. To see if the Town will vote to authorize the Selectmen to appoint a five-member Building Study Committee for the land acquired under Article 14 above.
16. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the annual rental and associated transportation costs of a large roll-off container for the collection and recycling of magazines, catalogues and miscellaneous mail.  
(Recommended by Budget Committee)
17. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to replace a heating oil tank and a diesel fuel tank at the Highway Garage.  
(Recommended by Budget Committee)
18. To see if the Town will vote to raise and appropriate the sum of Twenty-Four Thousand Dollars (\$24,000.00) for the purchase of a computer system for the Police Department and authorize the withdrawal of Twenty-Four Thousand Dollars (\$24,000.00) from the Replacement of Police Equipment Capital Reserve Fund established for this purpose.  
(Recommended by Budget Committee)
19. To see if the Town will vote to grant a permanent easement to the State of New Hampshire, Department of Fish and Game, to approximately 3/4 of an acre of Town-owned land adjacent to Turee Pond for the construction and maintenance of a boat ramp, parking and other public facilities financed by the State of New Hampshire.
20. To see if the Town will adopt the provisions of RSA 72:37 for the exemption for the blind from the assessed value of residential real estate for property tax purposes to the value of \$60,000.00.  
(Recommended by Budget Committee)
21. To see if the Town will vote to increase the number of members on the Bow Business Development Commission from five (5) members to seven (7) members.

22. To see if the Town will vote to increase the number of alternates on the Zoning Board of Adjustment from two (2) alternates to five (5) alternates as allowed by RSA 673:6.
23. To see if the Town will vote to authorize the Board of Selectmen to dispose of any lien or tax deeded property in accordance with the provisions of RSA 80:80.
24. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action of the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during a fiscal year. This authorization shall remain in effect until rescinded by a vote of the Town Meeting.
25. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
26. To see if the Town will vote to accept the budget as presented by the Budget Committee and to determine the amount to be raised and appropriated for Town expenses, and to pass any vote in relation thereto.
27. To hear reports of standing committees and take any action relating thereto.
28. To transact any other business which may legally come before such meeting.
29. To transact any other business which may legally come before such meeting.

Given under our hands and seal the 10th day of February, in the year of our Lord, 1993.

#### 10% LIMITATION OF APPROPRIATIONS

(SEE RSA 32:8, 8-a, & 32:10-b)

Please disclose the following items (to be excluded from the 10% calculation)

\$ \_\_\_\_\_ Recommended Amount of Collective Bargaining Cost Items. \$ \_\_\_\_\_ Amount of Mandatory Water & Waste Treatment Facilities. (RSA 32:10-b).

RSA 273-A:1, IV "'Cost Item' means any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body of the public employer with which negotiations are being conducted."

**HELP!** We ask your assistance in the following: If you have a line item of appropriation which is made up of appropriations from more than one (1) warrant article, please use the space below to identify the make-up of the line total. We hope this will expedite the tax rate process by reducing the number of inquiries from this office.

## **INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION**

To the Members of the Board  
of Selectmen and Town Manager  
Town of Bow  
Bow, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Bow as of and for the year ended December 31, 1992, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bow as of December 31, 1992, and the results of its operations (and cash flows of its nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Bow. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Cpl. Bruce A. Jacklin	SS	4/82
Cpl. Kelvin H. Clark	SS	2/85
Ptlnn. Donald J. Kirlis	SS	11/92

### Part Time Secretary

Patricia A. Gamble

The 34 burglaries which we investigated in 1992 was alarming to me since this is the highest total we have attained since the year 1980 in which the total was 55. The only way I have been able to rationalize in my own mind was that we had an UNUSUAL group of pre-teen juveniles that were responsible for 7 small time burglaries and the two teenage juvenile bicycle burglars, which were responsible for another 4. Subtracting these 11 cleared burglaries from the total of 34 enables me to believe that my department is still performing the most effective patrol procedures and tactics that are possible, given the number of officers and time in which we have to operate in order to maintain a minimal number of burglaries.

Criminal Mischief complaints more than doubled in 1992 to a total of 133. This large increase was primarily due to mailbox smashing incidents. Although to this date we have not acquired a sufficient amount of probable cause to arrest the two Bow teenagers, I feel they know we know who they are and have since ceased their operation.

Unfortunately we lost our DARE officer in 1992 and although none of the 7 Full-time Certified officers that applied for the police officer opening were Certified DARE officers, I'm in hopes of enrolling one of my officers into the 2 week school which is usually held in September and providing all goes well will have him starting the 17 week course for the 6th grade class in the middle of December, 1993.

From my observations, I notice a large percentage of residents use their seat belts while motoring on the roads of our town; however, I notice others are not. Up until 3 years ago I did not use my seatbelt and felt it was one's own choice and I was not going to be forced to use my seatbelt; however, 3 things in a short period of time suddenly struck me to the point of which I am now a strong advocate of seatbelt usage. I would support a Mandatory Seatbelt Law for all operators and occupants of a motor vehicle. The three things that changed my mind were: 1) my doctor advising me that if I used a seatbelt it would increase my chances of living longer; 2) realizing because of age and experience of investigating motor vehicle accidents that life is precious and can end in a split second; and 3) I wanted my son to wear a seatbelt when operating or in a motor vehicle and in order to preach it, you must also set the example. It's a proven fact that the proper usage of seatbelts saves lives and prevents serious bodily injuries. So – Please join me and BUCKLE UP!

In closing as in past years I want to thank all the residents and businesses whom have continued to support, cooperate and render their assistance for the past year to my department and members when needed.

**PLEASE DO NOT HESITATE TO REPORT ANY VEHICLE OR PERSON THAT LOOKS SUSPICIOUS TO YOU – TO US!! AT 228-0511 – NOT 911.**

Respectfully submitted,

PETER A. CHENEY, Chief of Police

Richard Patten

The Dispatch Center, located at the Municipal Building at 10 Grandveiw Road, serves the public twenty four hours a day, every day of the year. We serve the public in many different ways daily. Many calls are answered pertaining to Town functions, weather and road conditions, dump permits, directions, etc., as well as handling and recording telephone calls for Police, Fire, Rescue, Recreation, Highway, Community Building, and all the Town offices in the Municipal Building.

The Digital Alarm Receiver in the Dispatch Center continues to be a valuable asset to the Police. The Town Selectmen approved a \$90.00-a-year users fee for all residential and industrial alarms being monitored by the Police Department. All users will be contacted by Dispatch and information will be updated pertaining to alarms. Billing will come at a later date in 1993. Anyone interested in further information regarding the alarm system may contact the Bow Police Department.

Try to remember the following when calling in an emergency:

- 1) WHO (who is calling)
- 2) WHERE (the location)
- 3) WHAT ( what is the problem)

Be sure the dispatcher has acknowledged this vital information before hanging up the telephone.

The Operation Call In program is still in effect. Information about the program may be obtained at the Dispatch Center. Telephone stickers, neighborhood watch decals and handbooks are also available at the Dispatch center.

Thank you again for your continued support and cooperation in 1992 and we look forward to assisting you in 1993.

Dutifully yours,  
LT. ROBERT C. GRAVES

## 1992 FIRE DEPARTMENT ANNUAL REPORT

The Department responded to 274 calls in 1992. That reflected a 6.2% decrease in calls from last years 291 calls.

There was an increase in fire alarm activation by 23% and motor vehicle accidents by 55 with a reduction in mutual aid calls by 42%. The breakdown of calls is as follows:

Structural	17	Motor Vehicle Accidents	31
Fire Alarms	64	Mutual Aid	31
Chimney Fires	5	*Medical	38
Brush	11	Miscellaneous	77
TOTAL			274

\*Medical calls made by the Bow Rescue - additional calls were made by Private Services.

Deputy Chief Lee Kimball has continued to keep an aggressive training schedule again this year. We have had a variety of courses both at the basic and advanced levels. We have also continued several specialized courses such as the Driver/Operator Course, Hazardous Materials Course, Refresher Course in Radiological Monitoring and Auto Extrication. This winter, we will be doing a live fire training burn on a building given to the Department. The building will also be used by the State Firefighter Certification class being sponsored by the Bow Fire Department. We are very fortunate to have five State Certified Instructors who have planned and provided the instruction for these classes. The Department has also been a very active participant in mutual aid drills held by the Captial Area Fire Compact and the Hooksett Fire Department. This summer the Department held a Mass Casualty Incident (MCI) where a Boeing 727 crashed in the South Bow Road area with many injuries requiring ambulances from several area communities. The patients were transported to Bow Memorial Hospital (Bow Rescue Building) where the victims analyzed the treatment that they received while being transported. These types of incidents are very rare, but we must be prepared for any type of incident that might occur.

Lt. Mary Lougee has provided the Rescue Company with the required training programs that are necessary to maintain certification as an Emergency Medical Technician (EMT). Some of the courses were Cardiopulmonary Resuscitation (CPR), Defibrillation and Auto Extrication. Also, several members have completed or are enrolled in Intermediate Level training where they learn the theory and skills necessary to start Intravenous Infusions (IV's). We now have 2 Paramedics on the squad and others starting the program. Several members have also attended a special training session to qualify as evaluators for the State Practical Exams for Basic and refresher programs for EMT's.

This year we were able to adopt a Hazardous Materials Ordinance, making a transportation hauler involved in an accident or spill, responsible for cleanup, pay for any materials used by the Fire Department to control the incident and replacement of any of the Fire Department's equipment that is damaged during the incident. This Ordinance can be of great benefit should a hazardous materials incident occur.

This is the sixth year that the Explorer Post has been a part of the Fire Department. Five members attended the first Explorer Fire Academy held at New England College in Henniker. Those attending were Mike VanDyke, Justin Abbott, Matt Andersen, Steve Moltanski, and Tim Boulieu. All that attended the Academy are eager to attend next years bigger and better Academy. All of the Explorers have been training with us weekly and have become an important part in our Department.

I would like to thank all the members of the Ladies Auxiliary for their help and support during the past year. Their help at fires is greatly appreciated by the Department.

I would also like to thank the other Town Departments for their assistance during the past year.

### **IMPORTANT TELEPHONE NUMBERS**

**To Report a Fire or Request an Ambulance**

**225-3355**

**All Other Fire Department Business**

**228-4320**

### **REMINDER**

Burning permits are required for ALL outside burning EXCEPT when the ground is covered with snow. The hours burning is allowed is between 5:00 pm and 9:00 am. Permits are available from:

Chief H. Dana Abbott	225-6498
Deputy Nicholas Cricenti	224-7371
Deputy Leland Kimball	774-4981

Respectfully submitted,  
H. DANA ABBOTT, Chief  
Bow Fire Department

**ORDINANCE**  
**adopted this 8th day of December, 1992**

**AN ADMINISTRATIVE ORDINANCE FOR ESTABLISHING  
PROCEDURES AND FEES FOR CONTROL AND CONTAINMENT OF  
HAZARDOUS MATERIALS**

**Section One: Authority:** This ordinance is adopted pursuant to the authority granted the Town by State of New Hampshire RSA 31:39.

**Section Two: General Purpose:** It is the purpose of this Ordinance to provide the orderly and expeditious control and clean up of any hazardous material(s) which may escape from the control of the person or persons having possession of them, and thereby pose a threat to the Town of Bow. It is also the purpose of this ordinance to require that any person possessing any such hazardous material(s), shall pay for all services provided by the Town in relation to the clean up of said material(s), and to reimburse the Town for any costs or damages, direct or indirect, incurred by it as a result of its effort to contain, control or the clean up of such hazardous material.

It is not the purpose of this Ordinance to impose upon the Town of Bow, any of its officials, officers or agents, any obligation to secure or remove any hazardous material(s) from the Town once safe containment of the material is made. Moreover, nothing in this Ordinance is intended to relieve any owner or person in possession of hazardous materials of any obligation imposed by State or Federal Laws and specifically nothing contained herein shall be deemed to permit the possession, storage, or use of hazardous materials except in conformance with all Federal, State and Local Laws and Regulations.

**Section Three: Application:** This Ordinance shall apply to Reportable Hazmat Incidents involving the transportation of hazardous materials within the boundaries of the Town of Bow and to persons who may possess such materials within the boundaries of the Town of Bow and to persons who may possess such materials found within the boundaries of the Town, EXCEPT as prevailing Federal or State Laws or Regulations may take precedence and control over any such incident or person (see RSA 146-A:, 265:115–118, 147 for examples of such prevailing State Law at the time this Ordinance is adopted.)

A Reportable Hazmat Incident is an incident which ALL THREE of the following conditions apply:

1. A material is present that is suspected to be other than an ordinary combustible material,

AND

2. The material is in such a state, quantity, or circumstance that if left unattended, it is presumed to pose a threat to life, health, property, or the environment,

AND

3. Specialized hazmat resources were dispatched, used, or should have been dispatched or used for assessing, mitigating or managing the situation.

**Positive Example:** A Reportable Incident is an incident to which specialized resources such as hazmat vehicles, special sensing equipment, chemical entry suits, special protective equipment, chemical analysis kits, absorbents, neutralizing agents, and/or specialized trained personnel used or dispatched. Specialized resources equipment from other agencies, private industry, and specially-trained Fire Service personnel normally utilized in other ways are specifically included.

**Negative Example:** Occurrences that need not be reported as a hazmat incident include releases from 42 gallon or smaller vehicular fuel tanks; releases from low pressure fuel lines smaller than 2 inches in diameter serving residential properties with natural gas, LPG, and heating oil; ordinary sewage spills that do not include industrial waste.

**Section Four: Definitions:** For the purpose of this Ordinance, the following words shall have the following meanings:

**a. Hazardous Materials:** Those substances, materials or agents in such a quantity, state and form as may constitute a potential risk to the health and safety of the people and environment of the Town and which may constitute a threat to the property of the people, including without limitation the following: explosives, radioactive materials, etiologic agents, flammable materials, combustible materials, poisons, oxidizing or corrosive materials and compressed gases. Also any other materials listed as hazardous by the Materials Transportation Bureau of the United States Department of Transportation in Title 49 of the Code of Federal Regulations as amended or those materials the disposal of which is regulated under RSA 147-A.

**b. Person** shall mean any individual, corporation, or other entity having the recognized legal status of a person (i.e. association), or any partnership, trust or other legal entity as distinguished from the individual members thereof.

**c. Possession** shall mean to possess, own, hold or have within his or its control any material defined as hazardous. In the case of any corporation or other legal entity, in addition to the entity itself, directors or other natural persons having legal responsibility for the control of said entity shall be deemed to be in possession. It is the intention of this Ordinance to include within the concept person in possession not only the legal owner but any other person who may at the time come within the chain of control without regard to the issue of legal title. Person in possession shall include not only the owner but any agent, consignee, employee, contractor, or representative within the gain of control.

**Section Five: Duties:** The person or persons in possession of any hazardous material shall have the duty to prevent its discharge or release and to assure that any such material is used in a manner which will prevent its escape from safe containment. No person in possession shall discharge, dump, deposit, release or dispose of any hazardous material within the Town of Bow. In the event of the discharge or release of any hazardous material from safe containment, the person in possession at the time of discharge shall immediately report the same to the Bow Fire Department.

**Section Six: Control, Containment and Clean Up:** The Bow Fire Department shall

promptly respond to each such reported incident, and shall take action as is necessary to protect public health, safety, property and the environment. The primary goals of the Fire Department shall be to bring the material under control in safe containment and to minimize the damages caused by said material.

**Section Seven: Costs:** The person or persons in possession of any material shall pay a response fee of Two Hundred and Fifty Dollars (\$250.00) and in addition shall be strictly liable to the Town of Bow for all costs incurred by the Town in the control, containment, and clean up of the materials which may have discharged or released. If such material was possessed by more than one person then all shall be jointly and severally liable, and the costs incurred by the Town may be recovered from any one of them, by suit brought in court of competent jurisdiction.

Any person who fails to report, as required in SECTION FIVE, shall be assessed a civil forfeiture not to exceed Five Hundred Dollars (\$500.00).

Any person who intentionally discharges or releases, or causes another to discharge or release, any hazardous materials from their safe container, in any manner which poses an actual or potential threat to people, animals, wildlife, vegetation, property or the environment, shall be assessed a civil forfeiture not to exceed one thousand dollars (\$1,000.00).

**Section Eight: Enforcement:** The Chief of the Bow Fire Department shall be responsible for enforcing this Ordinance.

**Section Nine: Severability:** If any section, subsection, sentence, clause, phrase, or part of this Ordinance should be held invalid for any reason whatsoever, such decision shall not effect the remaining portion, which shall remain in full force and effect; and, to this end, the provisions this Ordinance are severable.

**Section Ten: Effective Date:** This Ordinance shall become effective upon proper adoption by the Town of Bow.

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**" Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acres/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire departments by requesting and obtaining a fire permit **before** kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

## BAKER FREE LIBRARY

1992 was a year filled with growth in card holders, circulation, services, Friends and co-operation. Every time Department, Road crew Town Clerk or the Selectman's Office the response was always very positive. Thank you to Bovie Print, the Garden Club, Jen Cohen and Chip Bailey for donations of time, products and wreaths. Working in such an energetic environment enhances our ability to serve the community.

The Long Range Planning Committee for the library submitted their completed document ahead of schedule and it was accepted by the Trustees in June of 1992. The plan will be implemented over the next five years. Thank you to Jim Cailler, Joan Leggett, Evelyn Lindquist, John Lyford, Gary Shirk, Mary Slattery, Richard Welch and John Urdi who donated their time and knowledge to the first long range planning document on file at Baker Free.

The Friends of the Library supplied the Pizza again for the end of the Summer Reading Program party in August. Story teller, Clara Brogan entertained all the participants outside under the pine trees. Three different reading programs were offered and a total of 1,723 books were read by 90 children.

Judy Finn Acone continues to donate her skills for the Active Listeners on Wednesday mornings and we enjoy providing quality children's programming within the constraints of our space and safety limits.

Richard Lederer helped us celebrate National Library Week with a presentation sponsored by the Friends of the Library. Other events that marked the Friends year were a Book and Bake Sale in October that broke all records for fund raising success and the November Membership drive. The funds raised by the group have provided passes for the Christa McAuliffe Planetarium, the Museum of Fine Arts and the Science Museum in Boston, at no charge to library borrowers. They were able to purchase the Civil War Video set and are investigating the cost of a more visible sign for in front of the building. The new president is Marcia Lavochnik, Laurie McDonald is Treasurer and Ginny Shirk is Secretary. The monthly meetings are held in the Baker Room.

We tested a few new resources at the end of the year in our reference collection. CD-Rom technology crossed the threshold of the library in November. InfoTrac, a magazine index, was the first CD-Rom database made available to library users. *Value Line* and *Morningstar*, two print financial surveys were also examined. Users responses will determine whether they are added to the collection in 1993 on a permanent basis.

The Book Talks and the Bow Artist Series were very popular in their first year and we look forward to continuing both of these services.

The Suggestion Box has been a wonderful addition to our building. Suggestions for books, services, magazines and even pencil sharpeners where you can see them, have been dropped in the box over the last year. We give careful consideration to every suggestion and appreciate the thoughtfulness that went into all of them.

A special thank you to the support staff at Baker Free Library. Without the enthusiasm, endurance, curiosity and professionalism of this exceptional staff, guiding Baker Free into the future would not be possible, nor as rewarding.

Respectfully submitted,

LINDA KLING  
Director

## HIGHWAY DEPARTMENT

Over the past several years, there have been many new developments in road construction and maintenance. Bow's Highway Department tries to keep abreast of techniques that would improve our road system.

In the mid 1980's, we found that geotextile fabric, which comes in many forms, was very useful in stabilizing road beds where water or clay caused severe heaving. We have used this fabric when reconstructing various roads. The results have been evident by the absence of cracking or heaving.

In 1992, we incorporated asphalt recycling as part of our reconstruction program. This procedure consists of grinding and mixing the asphalt road surface with 6-9 inches of the base gravel. The process is done in place and needs only grading and compacting to prepare it for paving. This action creates a uniform subsurface which we hope will eliminate surface distortion.

As new ideas, methods and equipment develop, we will be ready and willing to try whatever appears useful in maintaining and improving our road systems.

LEIGHTON A. CLEVERLY  
Road Agent

## ANNUAL REPORT OF THE BOW PARKS AND RECREATION COMMISSION

The Bow Parks and Recreation Department, with its two full time employees, continues to provide increased recreation and leisure programs for the citizens of Bow. The number of facilities provided has increased as well. Summer Playground and Recreation Programs attendance surpassed last year's all time high. The strong showing in summer participation and revenue, coupled with increased registrations in the Department's year around program offerings and trips, again pushed Departmental revenue to an all time high of \$40,572 in 1992. Total Revenue through user fees for 1992 was \$2,992.00 higher than last year's 1991 total Departmental revenue of \$37,580.00. This \$2,992 increase was an 8% increase over 1991 and represented 37% of the Department's total 1992 Budget.

The Bow Budget Committee, along with the Selectmen and Town Manager, had set a goal of \$40,000 in anticipated revenue through the collection of user fees for 1992. This goal was met and exceeded. All Departmental revenue was deposited into the Town's general fund as required by law. This "pay as you go" program philosophy permeates throughout the Department's program offerings. This principle continues to place a larger portion of the financial burden for programs on the program participants rather than on the Town taxpayer in general. The Bow Parks and Recreation Commission has set a total of collecting \$44,000.00 in revenue budgetary offset for 1993.

**Hanson Park New Recreational Facilities:** The Department continued to strive towards the completion of the new Hanson Park recreational facility additions. Once the spring 1992 mud season was over, Superior Excavating, the successful project bidder, resumed work on the construction of the new soccer and baseball field combination along with a new access road and parking lot. The final rough grading of the field was completed in late April with the loaming of the field done in May. The field could not have been constructed with the funding available without the generous donation of screened loam from the Public Service of New Hampshire Bow Plant. Seeding was completed in May and the grass took hold immediately thanks to a rainy and warm spring.

In the spring of 1993 the Bow Rotary Club will be donating the costs of fencing, backstop, and dugouts for the new field. This is an extremely generous donation by the civic minded Bow Rotary Club. They are to be congratulated. In order to finalize the project the Town will be installing a new playground this spring at the new area addition to Hanson Park. The Parks and Recreation Department is looking for volunteers and volunteer groups who would assist in the installation of the new equipment. Any group interested in assisting with the installation of the playground equipment can contact Director Christy at 224-9361. The Town is currently waiting for reimbursement of \$22,500 for 1/2 of the Town's cost to date. Once the playground is installed, the Town will apply for the remaining \$2,500 owed the Town under the federal grant. Total cost of the project once completed will be \$50,000 of which \$25,000 will be Town funds and \$25,000 which will have been federal funds awarded to the Town of Bow after its successful Land and Water Conservation Grant competitive application.

**Recreational Program Highlights:** The Department once again conducted over 140 programs, classes, special events, and bus trips for recreational outings in 1992. Some of the Department's year around programs include the "Children's Dance Workshop" under Janet Dare and Kindercooking and Kindergym for 3 to 5 year olds under the leadership of Ginny Holt. New youth recreation programs include new Arts and Crafts

classes, Foreign Language instruction in Spanish and French, and a teen age drop in basketball programs.

Other popular children's programs include Pre-school and Kindergarten Basketball under the direction of Mark Stewart, skating lessons, and Karate lessons.

Special events include the annual Town of Bow Halloween party and Christmas Tree Lighting and visits by Santa Claus and the Easter Bunny at the Annual Spring Egg Hunt.

Special Family and School Vacation Trips included trips to Walt Disney on Ice, the Circus, the Nutcracker, the New England Aquarium, Fun Spot, and Boston Red Sox games. The family "Let's Go Fishing" program continued to be completely filled for both sessions conducted by local Bow volunteer Dennis Brown with free program materials supplied by the N.H. Fish and Game Department.

The weekly winter ski instructional program at nearby Pats Peak continued to be popular with over 150 youths enrolled. Also, over 20 children attended the pre-school/kindergarten learn to ski program at King Ridge Mountain. Over 175 youths attended seven school vacation ski trips to Cannon, Sunnape, Black Mountain and King Ridge Ski Areas. Special programs were also offered at the Bow Community Building during Christmas, Winter and Spring School Vacations. The Department also assisted the Bow Rotary Club in conducting their annual Winterfest.

Summer brought the eight week summer playground program held at the Bow Memorial School. Registration for all summer programs continued to be high. At the playground, special afternoon hours were again set aside for 5 to 8 year olds. The summer playground program offered 17 trips to NH State Parks and tourist attractions including Ellacoya and Wallis Sands State Beaches as well as Surfcoaster, Canobie Lake, Red Sox games, and Water Country to name just a few. The playground included daily special events in addition to the daily menu of arts and crafts and games. Special events included activities such as Halloween in August, Christmas in July, Tee Shirt Tie Dye Days, and Spray and Splash Days. The Tennis and Swim Lesson Programs were completely sold out as usual. There also was an increase in the number of youths who participated in the "NH State Hershey Track and Field Meet" with some team members placing quite high. The Department also assisted in the second annual "July 6th - Bow Summerfest" in providing old fashioned games and a watermelon feast at the festival.

The Bow Family Arts Series continued with seven presentations including artists such as magician "B. J. Hickman" and "Gary the Silent Clown." The Arts Series again was only made possible through donations from the Bow Library and the Bow Parents-Teachers Organization along with admission fees and matching grant support from the NH State Council for the Arts.

Adult programs included a variety of exercise programs including aerobics, and "Body Tone Up." Other adult programs included two co-ed volleyball programs, three men's basketball programs, signed English lessons, and a new duplicate Bridge Club. The Bow Young at Heart Senior Citizens group, meeting twice a month, continued their programs of education and trips to places such as Hampton Playhouse, Indian Head Resort, and their Fall Foliage Tour. The "Young at Heart" group will be moving the location of their meetings to the Bow Community Building beginning in January of 1993. Persons wishing to find out more about joining the club and club activities should call Chuck Christy at 224-9361.

The Department continually seeks to add new programs according to the interests of Bow citizens. If you would like to offer a program or would like to see an activity offered contact Chuck Christy, Director at the Bow Parks and Recreation Department located at the Bow Community Building.

**Parks Maintenance:** The Parks and Recreation Department continues its concerted effort to maintain and upgrade Bow's public parks and recreational facilities. All parks maintenance is done by Parks Groundskeeper Joseph Page with occasional assistance by Director Christy as needed. There are currently no part time maintenance persons in the Department. For tasks requiring more than two persons and/or heavy equipment the Department is thankful for the cooperative assistance of the Town Highway Department.

The Department, with the opening of the newly constructed facilities at Hanson Park, will be charged with maintaining five ballfield and soccer fields, three playgrounds, four parking lots and two access roads at two parks (Hanson and Sargeant Parks). In addition, the Department maintains the grounds of the Baker Free Library and assists with the maintenance of the Town boat ramp. Besides the daily mowing of grass, lining and dragging of ballfields, and rubbish removal, the Department continues to improve turf areas. This year all ballfields were treated three times, once with pre-emergence weed killers and fertilizers, and twice with fertilizer. Also the Department continues its routine practice of edging and re-cutting of baseball infields, coaches' boxes, and base paths and the adding of new stone dust infield material as required.

The Department added additional picnic tables to all parks and installed a new set of soccer goals at Gergler Field. The Department also acquired a new set of soccer goals to be installed at the new Hanson Soccer Field this coming fall. Mr. Page is constructing 10 new players benches to be put at all soccer fields in the fall.

The Department also maintains the Town's ice skating pond located next to the Town's Fire House. This past winter the Town had 2 1/2 months of good ice skating. The Department also continues to reconstruct park benches, fences, and equipment storage boxes as required. Eagle Scout candidate Phil Shinkaruk is involved in constructing a barbecue at the Gergler Park Picnic Area and installing benches at the Town Ice Skating Pond.

The Bow Highway Department also deserves a special thanks for their assistance in maintaining the Parks and Recreation Department's powered equipment, grading of park's parking areas, and hauling of heavy materials. The Parks and Recreation Commission also wishes to acknowledge and thank the help provided by: the Bow Athletic Club, the Bow Memorial and Elementary Schools staff, the Bow Police and Fire Departments, the Baker Free Library, all of the Bow Girl Scouts and Boy Scouts, the Bow Rotary and Men's Club, the Bow Young at Hearts, the Bow School Bus Drivers and Garage staff, the Town Manager, and Town Hall employees, and the Selectmen for all of their cooperative efforts this past year which helped make the Department's successful programs possible. In addition, the Department wishes to thank the citizens of Bow for their continued support and for the many volunteer hours they have donated to the Department for special events and trips.

Respectfully submitted,

JIM LOOMIS, Chairman

ROLAND ROBINSON

BOB GOSLING

CHARLES W. CHRISTY, Parks and Recreation Director

CHUCK RHEINHARDT

CINDY GOW

JOSEPH PAGE, Groundskeeper

## **ZONING BOARD OF ADJUSTMENT**

During 1992, the members of the Bow Zoning Board of Adjustment held regular monthly meetings, and held twenty-five regular public hearings.

Again this year the Board has had to interpret the Ordinance with respect to gravel pits, off-site and over-sized signs, sideline setbacks, day care, etc. We have been fortunate to have the Planning Board help us deal effectively with our actions.

Our policy of on-site inspections prior to any public hearing gives us further insight into the reasonable interpretations of our zoning ordinances.

Monies taken in by the Zoning Board of Adjustment for 1992 year are as follow:

13 applications at \$60.00 each equals \$780.

We thank the townspeople for their cooperation at our meeting and look forward to their input in 1993. The Board is most appreciative of the support by the Board of Selectmen and all other Boards and Commissions, together with Mr. Bud Currier, with whom they have worked during 1992.

BRUCE CRAWFORD, Chairman  
BARBARA JOHNSON, Vice Chair  
WAYNE EDDY, Secretary  
HOWARD CROSS  
MARC NORMANDIN  
VALERIE LYNN, Alternate  
NANCY RHEINHARDT, Recording Secretary

## PLANNING BOARD

The number of applications considered by the Planning Board in calendar 1992 was 20 percent less than those considered in 1990 and 66 percent less than those in 1989.

Using the results of a community survey, and recommendations of Town officers, Boards, Committees, Department Heads and residents, the Planning Board Master Plan Revision Committee completed updating all the elements of the 1980 Master Plan to conform with changes in State laws and conditions in the town. Substantial technical consultation and assistance was provided by Allan Neimayer of the Central New Hampshire Regional Planning Commission. All final drafts of the Master Plan Elements were reviewed at public hearings. Copies may be purchased at Bow Town Offices or read at the Baker Free Library.

The Board is responsible for updating the Capital Improvement Plan for the Town. The Board, through its Capital Improvement Committee, obtained from the Town Manager a schedule of recommended capital acquisitions by Town Department Heads. The Board has restructured the timing of the capital outlays to avoid adversely affecting the tax burden in any one year. The Board recommends that the Capital Improvement Plan be fully funded in this and following years. The Planning Board Capital Improvement Plan is at the end of this Report.

The Zoning Subcommittee of the Planning Board reviewed several provisions of the Zoning Ordinance and their recommendations are presented in Warrant Articles pertaining to Zoning Amendments which will be voted on at this town meeting.

The Planning Board members served on Town and area committees including the Upper Merrimack River Local Advisory Committee, the Central New Hampshire Regional Planning Committee and the Concord/Bow High School Study Committee. Additionally, the Board Subcommittees dealt with the Planning Board budget, Subdivision & Site Plan Regulation Revisions and Zoning Ordinance Revisions.

Members of the Board deserve recognition of their efforts and dedication in serving the best interests of Bow. Particular recognition should be given to Thomas Pelletier, Chairman of the Board at the beginning of this year. He has conscientiously served on this Board for the past twelve years. His contribution resulted in a timely processing of applications and the development of the Master Plan.

# BUILDING INSPECTOR'S REPORT 1992

To the Residents of Bow:

I hereby respectfully submit my 1992 Report.

Please find below a list of all types of inspections done by this department during the course of the year, not to mention the town residents and contractors that come into the office for help and direction.

The average cost of a new home in Bow for 1992, minus land, well, and septic is \$91,824.00.

New homes for 1992 is slightly higher for the same period of time.

Commercial Building is at a low at this time and will remain so until the economy picks up.

I also, at this time, wish to thank the cemetery crew for its fine job of maintaining all of Bow's cemeteries this past summer.

## Inspections

1. New Homes as of November 1992	34
Certificates of Occupancy	70 – All Types
2. Foundation	67 – All Types
3. Rough Framing	92
4. Rough Electrical	79
5. Rough Plumbing	35
6. Chimney / Fireplace	28
7. Final Inspections	70
8. Miscellaneous Inspection	
(Meet with home owner)	125
9. Heating Permits	10

## CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 19 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Bow is a member in good standing of the Commission.

The CNHRPC is one of nine RPC's organized under RSA 36:45-53 to prepare coordinated regional plans and to assist communities with local planning activities. Every city and town in New Hampshire is within an organized region.

Our principle charge is to prepare a coordinated plan for the region, while providing planning assistance to member communities.

Our accomplishments over the last year include:

The Commission adopted the *Housing Element of the Regional Master Plan* in September. The plan identifies housing needs in the region, the role of the CNHRPC in housing, and methods to address housing in towns and cities.

The regional transportation plan is the focus of our current fiscal year. We intend to complete the plan and our first ever transportation improvement program (TIP), the capital improvement plan for transportation in the region.

The plans of the nine regions form the basis for the state transportation plan. The state plan will become increasingly dependent on regional plans for data, public involvement, and transportation alternatives.

If the region and its communities are to maintain and improve its transportation infrastructure, we must approach consensus on our transportation priorities, both in terms of general objectives and in terms of specific projects. The input of every community is therefore critical, so we intend to devote considerable effort to public input on the plan and TIP.

In 1992 the CNHRPC published the *Cooperative Purchases and Municipal Services Study* in which we identified the range of services provided by our communities, the general purchasing methods used, sources of information on improved purchasing methods, and the level of interest in cooperative purchases and services delivery in each community.

The Commission continues to provide high quality and timely services to member municipalities through circuit riding, master plan assistance, research, and other technical assistance.

With technical assistance from the RPC and in cooperation with interested cities and towns, Merrimack County is preparing its first overall economic development plan.

Specific activities in Bow included beginning the sixth year of circuit rider planner services. CNHRPC Circuit rider Allan Neimayer was the town planner again in 1992. The Bow master plan was completed, adopted, and published in 1992.

## BOW RECYCLING COMMITTEE

This year (1992) was an excellent year for recycling in Bow. The residents in Bow recycled the following amounts in 1992:

- 7.04 tons of Aluminum Cans
- 14.18 tons of Tin/Steel Cans
- 84.61 tons of Glass
- 172.21 tons of Newspaper
- 20 tons of Plastic

The glass and newspaper figures include estimates because loads are no longer weighed. And the final figures on plastic were not received in time for this report but the 20 tons is pretty close.

More people are recycling every day. These figures show that Bow has recycled alot more this year-over 100 more tons than last year. A BIG THANK YOU TO ALL OF THE RESIDENTS WHO ARE RECYCLING!

If these recycled materials had been taken to the Penacook incinerator (instead of being recycled), it would have cost the Town of Bow an additional \$11,750 at the incinerator. Instead the Town of Bow saved money and made over \$3000 selling aluminum cans.

In 1992 our committee welcomed a new member, Julie Lamb. We are pleased to have her enthusiasm on our committee.

During 1992, our committee has continued to study the constantly changing methods and markets for recycling. The redesign of the town transfer station is one of our most important topics. Members of our committee visited the transfer station and recycling area for the Town of Lee, NH. We met with recycling committee members for the Town of Dunbarton. Some of us went to view a demonstration of the glass crusher in New London. We have talked with Bow's road agent, Leighton Cleverly and with an engineer, Bill Barnes and with representatives of Waste Management on the issue of redesigning the transfer station.

This year has brought a temporary change in our method of recycling GLASS. The State of New Hampshire is going to use all of our glass in local highway construction project. For this purpose all of our glass is being stockpiled in a large concrete area at the transfer station. Tossing glass bottles into this area has been great fun for all the kids. After the highway project is completed this summer, we will have to change to a different method of using or recycling glass, so watch for future changes.

The Town of Bow participated again this year in HAZARDOUS WASTE COLLECTION DAY on Oct. 3, 1992. Laurie Silkworth of our committee worked as a volunteer.

Hopefully, in 1993 the collection will be in Bow again. Please save your hazardous wastes and watch for notices of the date.

By the time you read this report, I hope the new bin from the Salvation Army has been delivered to the transfer station. This bin will be used for recycling USED CLOTHING. They DO NOT want anything else in this bin. (No toys, furniture, etc.)

At the town meeting this year, you will have a chance to vote for the opportunity to recycle CATALOGS, MAGAZINES AND MISCELLANEOUS MAIL. The recycling committee has proposed the leasing of a new container for the collection of these materials. North Shore Fibers in Massachusetts is accepting these materials and

is using them to manufacture fiber board (paper board). Fiber board is used for cereal and cracker boxes. The Town of Bow will save a small amount of money recycling magazines, catalogues and mail because it is cheaper to recycle them than to burn them at the incinerator. The Selectmen are supporting this program and we hope you vote for it.

THANKS FOR RECYCLING!

Respectfully submitted,  
SHERRI CHENEY

Other Committee Members;  
Phil Downie, Chairman, Laurie Silkworth, Bill Capozzi, JoEllen Thompson,  
Debbie Mahar and Julie Lamb

## **HEALTH OFFICER'S REPORT**

For the year ending November 30, 1992.

Inspection of several Family Day Care Centers.

Inspection of two homes for placement of Foster Children.

Inspection of Pre-School Day Care Facility.

Inspection of Elementary School rooms for after school day care.

Inspection and report to Town Manager regarding dog kennel on Page Road.

Inspection of a home on Essex Dr., because of septic odors, problem referred to the Building Inspector.

No reported Communicable or Infectious Diseases.

Respectfully submitted,  
ETHAN V. HOWARD, JR., MD  
Health Officer

## CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Bow: Home Care, Hospice and Health Promotion.

Home Care Services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice Services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping him/her remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

Health Promotion Services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV (AIDS) testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites. Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Bow may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to Concord Regional Visiting Nurse Association (224-4093) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30 am to 4:30 pm. A nurse is on call for hospice and home care patients; (224-4093) 4:30 pm – 7:30 am daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire and is a member agency of the United Way of Merrimack County.

Total visits made during October 1, 1991 through September 30, 1992:

	No. of Clients	No. of Visits
Home Care/Hospice	46	1,440
Health Promotion	<u>57</u>	<u>131</u>
Total	103	1,571

4 Blood Pressure Clinics

## BOW CONSERVATION COMMISSION

1992 was a very busy and productive year for the Bow Conservation Commission.

The first project to be completed was the seismic refraction engineering study which provided significant data regarding the potential for a drilling program based on aquifer potential.

The data has since been forwarded to the Business Development Committee in order to help develop sewer and water services in the commercial and industrial zone.

A great deal of work has been expended by the commission on a two fold project for developing hiking trails through town. The first project is providing the connecting link to the Heritage Trail. The Heritage Trail is a state supported hiking trail running from the Canadian border to the Massachusetts state line. The town's segment would parallel the Merrimack River connecting with the Concord and Hooksett trails.

Secondly, the Commission has been working on developing an educational series of hiking trails that would enhance and provide access to some of the forests in town.

The Commission set about the process of hiring a new town forester. After an extensive interview process the town has engaged the services of Roland Klemarczyk of Foreco. An initial review of the town forests has been made by Mr. Klemarczyk and we are now initiating several logging operations as well as timber stand improvements and management plans.

As always, we continue to monitor intent to cut timber, dredge and fill applications and the numerous subdivision applications that come before us. In conjunction is the request to review plans that impact the towns aquifer and wetlands protection ordinances.

The New Hampshire Society of Conservation Commission changed the format for conservation camp which made it unattainable to sponsor someone from town due to the requirement to include an adult. As an alternate choice, the BCC is proud to have sponsored this year a needy young man from the state to the Conservation Corp Camp. The camp provides a work experience in the outdoors performing tasks such as clearing trails and improving state wilderness facilities.

Another impending project which is under review is the improvement of the boat ramp on Turee Pond. Discussions are ongoing with the Fish and Game Department in hopes of reaching an agreement between the town and the state as to how the facility should be developed. Possibly the plan itself will be brought before the voters in early 1993. Our hope is that the project from design to inception will be completed in 1992 if the funds are available from the state.

Arthur Cheney's term on the BCC expired this year and we will miss his insight and knowledge of the town based on his many years as a resident.

New to the BCC this year is Peter Schauer who brings his experience as a registered soil scientist and prior tenure of having served on the Planning Board.

The Conservation Commission will continue to manage the lands and forests of Bow with the best interests of present and future generations.

## **UPPER MERRIMACK RIVER LOCAL ADVISORY COMMITTEE (UMRLAC)**

The year of 1992 has been very busy for the Upper Merrimack River Local Advisory Committee as we have continued our work under the New Hampshire Rivers Management and Protection Program and the federal Wild and Scenic River Study.

Our primary focus has been to study the river's natural and cultural resources, including its present management and the implications of a potential federal Wild and Scenic River designation.

We have also worked with our agency support staff to produce handbooks for each of the upper Merrimack communities which contain recommendations for local actions to better manage and protect the river's resources. These handbooks have been presented to the Planning Board for its consideration.

We have also helped to produce an educational brochure and video about the river, its resources, and the brochure will be available at Town Meeting and through the committee members. The video is available for viewing at the Bow Baker Free Library.

In 1993 we will be wrapping up our work relative to the federal river study. By early summer we will have put together a preliminary recommendation regarding federal Wild and Scenic designation and management. We will then bring this proposal to the Towns (Bow, Pembroke, Canterbury, Boscawen, and Northfield) and Cities of Concord and Franklin for their consideration and feedback. We will hold several meetings and briefings to be sure that everyone has had a chance to ask questions and make comments on the proposal. By August we want to have made any necessary changes to the proposal, and by the end of summer, the proposal will be ready for formal consideration by all the Upper Merrimack River Communities.

For more information, please contact:

Richard Bean, Selectmen's Representative  
Erle Pierce  
Valerie Lynn  
Eric Anderson, UMRLAC Chairperson  
(Representing the Central NH Regional Planning Commission)

### **SELECTMEN'S UPDATE WILD AND SCENIC RIVER STUDY**

At the January 27, 1993 meeting of the Upper Merrimack River Local Advisory Committee, the National Park Service commented that the section of the Merrimack River from the Manchester Street bridge south, to the Hooksett Dam specifically, does not meet the free flowing characteristics as defined in the U.S. Wild and Scenic Act.

The Board of Selectmen are in strong agreement with this new recommendation and are on record of the same with the National Park Service.

**BOARD OF SELECTMEN**

## BOW HIGHWAY SAFETY COMMITTEE

The Bow Highway Safety Committee (BHSC) met several times during the year.

The Master Plan Committee asked the BHSC to comment on the "Transportation Element" to the newly drafted Bow Master Plan. With only a few recommended changes, the BHSC endorsed the proposed "Transportation Element."

When the Committee learned of the redesign of the intersection of I-93 and I-89 in Bow, the Committee invited representatives from the State's Department of Transportation to brief the Committee on the proposal. The Committee agreed that the changes would greatly improve the safety of vehicles getting onto and off of the interstate as it goes through Bow. The Committee does, however, appreciate the concerns expressed by the business community in the South Street area; i.e., it appears difficult for "through traffic" to know when/where to exit for food, gas, lodging, etc; and that the appearance of bridges deckered one or two over the other does not look very attractive, nor does it look like New England, nor New Hampshire for that matter.

And finally, the committee recommended a Highway Safety Capital Improvement Plan to the Planning Board's Capital Improvement Committee as Follows:

1. Page Road and Brown Hill Intersection- The Committee agrees that this intersection needs correction to improve the sight distance, road elevation and lessen the Page Road curvature at the intersection.
2. Bow Center Road and Bow Bog Road Intersection - This intersection needs to be corrected to improve sight distance and lessen the curvature of Bow Center Road at this intersection.
3. South Bow Dunbarton Road-With the impact fees already collected along with current year tax revenues, this road can be upgraded to a town approved Class V road. (As the committee understands the RSA on impact fees, if the impact fees are not used toward the improvement within a six year period, the funds are returned to the contributors. The Committee believes that the six year term is here now.)
4. Logging Hill Road, Grandview Road, and Short Street Intersection- The Committee strongly feels that this intersection should be thoroughly studied in concert with the State to determine the safest traffic pattern in and around this intersection.
5. Hollow Road Upgrade- At the time Fortune Realty develops their 200 acre parcel at the end of the road, Hollow Road should be brought up to the town's Class V standard in accordance with the town's subdivision regulation.
6. Grandview Road- The "S" curve in the road west of its intersection with Ridgewood Drive should be straightened to improve sight distance along that stretch of road.
7. Putney Hill Road- This stretch of road from the Dunbarton town line to the top of Putney Hill should be brought up to the town's Class V standard without disturbing the "scenic" designation as voted on by the Town Meeting.

The Committee is happy to report on the completion of the improvement to the

intersection of Albin Road at Logging Hill Road. The Road Agent has advised the Committee that in the Spring "potted flowers" are to be placed in the island area to help further beautify that intersection.

Should you have any safety concerns about any of our town roads and /or intersections, please make your concerns known to any one of the BHSC members.

Respectfully submitted,

Selectman Eric Anderson, Chairperson  
Police Chief Peter Cheney  
Fire Chief Dana Abbott  
Road Agent Leighton Cleverly  
State Representative Peter M. Stio  
Resident James Bucknam  
Resident Gerianne Holdsworth

## **BOW ATHLETIC CLUB YOUTH SPORTS**

### **Basketball-Baseball/Softball-Soccer**

The Bow Athletic Club was founded in 1974 as a private nonprofit organization and has grown to serve over 900 participants on more than 75 teams in three sports. While the Athletic Club is separate from both the Recreation Commission and the Bow schools, it supplements both school teams and town recreation programs.

Approximately 350 boys and girls from first to eighth grade participate in BAC sponsored boys and girls basketball programs. The Club is affiliated with the Merrimack Basketball League, the Tri-Mountain Basketball League, and the Concord Basketball League. Instructional programs include, the first and second grade basketball clinic program and the third and fourth grade in-town league.

In baseball, the Athletic Club runs programs beginning with T-ball for first grade boys and girls and in-town instructional leagues for second, third and fourth graders. Our 11 and 12 year olders played against teams from other towns in the Kearsarge Mountain League. Bow also participated in the Concord Babe Ruth League in the 13 to 15 year old age group. Most of our baseball leagues participate in some post season tournament play.

In addition to the softball instructional "clinic", BAC offered an in-town softball program for grades four through nine. A girls softball league for girls in grades four through six includes teams from Dunbarton. There is also an in-town league for girls in grades seven through nine. The season's end is highlighted by a double elimination tournament. The BAC also fields a Junior Miss softball team comprised of eager 13 to 17 year olds.

Bow participates in the Merrimack Valley Soccer League, including third and fourth grade teams and fifth and sixth grade teams. The Athletic Club also sponsors a boys seventh and eighth grade team for those not on the school team which plays against similar teams from Weare, Hopkinton and Concord. There is also an after-school instructional program for aspiring soccer players in first and second grade, which attracts approximately 100 boys and girls.

BAC also brings the traveling North American Soccer Camp to Bow for a week of instruction conducted by English soccer coaches. This five day camp is held in Bow each summer.

BAC programs are not funded by town taxes. Instead, money is raised from sponsors, raffles and donations from individuals and from the generous service organizations in Town, including Rotary and the Men's Club. The annual budget is approximately \$15,000. We have traditionally tried to keep registration fees modest so all who are interested can participate.

BAC teams in various sports have distinguished themselves again this year by winning tournaments and trophies. However, our programs are built on the belief that full participation by all is the most important part of youth athletics. We are proud of our tradition of creating additional teams to ensure that all who want to play, can play. All coaching is done by volunteers, many of whom have received their training and certification through the BAC sponsored National Youth Sports Coaches Association Program.

The involvement of Bow parents as coaches, referees, league commissioners and

concession stand operators is often the envy of our counterparts in other towns. However, we can always use more help. If anyone is interested in sponsoring, coaching or refereeing in any sport, they should contact one of the officers of the Club. Notices of BAC'S monthly meetings are run in the Concord Monitor sports section, Round-Up column.

## REPORT OF THE BOW ROTARY CLUB

The Bow Rotary Club is one of 26,017 Rotary clubs located in 184 countries around the world. While the focus of the Bow Club is service to our community, Rotary International organizes local clubs to assist citizens of less fortunate countries and to foster better international relations and understanding.

The Bow Club has participated in a major project to raise \$10,000,000 to eradicate Polio worldwide and significant progress to that end has been made. Bow Rotary has donated money to purchase hospital equipment in Turkey and has donated books and typewriters to a village in Kenya. This spring, a Group Study Exchange Team from India will visit the Bow Club for five days to learn about our methods of promoting business and commerce. Our own John Lyford will lead a similar team of New Hampshire citizens to India for the same purpose. The theme of Rotary International this year is "Real Happiness is Helping Others" and Bow Rotary is proud to have helped others in need around the world.

Most of our activities, though, are directed within our own community. Bow Rotary financially supports local organizations that provide needed services to others, or that provide enrichment programs to young and old alike. Some of the organizations supported by Rotary are: the Bow Athletic Club, Cub Scouts, the Young at Heart Club, "Just Say No", the Bow Welfare Department, the Bow Memorial 8th grade trip to Camp Sargeant, and many others. Annually, Rotary awards scholarships to graduating high school seniors and upperclassmen attending secondary schools. Since this programs inception, Rotary has awarded over \$100,000 in financial aid to Bow students.

In addition to financial support, the Club enjoys "hands on" activities. Over the past several years Rotary has spent considerable time renovating the Old Town Hall. We are proud to have completed our commitment to this project. This historical old building has had a facelift in the kitchen and meeting room and is now ready to be utilized by the community. Rotarians have enjoyed participating in other Town activities such as Winterfest and Summerfest, ringing the Salvation Army Bell and wrapping Christmas Gifts for the Welfare Department.

The monies needed to support these activities are raised through club projects, such as the Annual Scholarship Auction, Christmas Tree Sale, and Lobster Feast Raffle. In June of 1992, a new Club fundraising project was inaugurated – the Central New Hampshire Bike Race. This event was extremely well received by bicycle enthusiasts from all over New England. Nearly 300 entrants in three classes transversed a 35 mile course around town to the cheers of many viewers. It was a delightful day and a very successful fund raiser. We look forward to this year's race scheduled for June 27, 1993.

Bow Rotary has grown to a membership of 62 men and women. It meets weekly at the Gristmill Restaurant on Friday mornings. The membership is committed to serving others and would like to thank all those who have made our projects possible.

PETER H. WINSHIP, President  
Bow Rotary Club

## BOW CLOVERS 4-H CLUB

The Bow Clovers 4-H Club began its 1992 year with thirteen members. Our leader is Nancy West. Club officers are: President, Laura West - Vice President, Rebecca West - Secretary, Rebecca Payne - Treasurer, Jennifer Moss - Reporter, Jennifer Kuhr - Photographer, Jessica Reid - Caller, Theresa MacNeil.

4-H youth education programs are made possible by the cooperative arrangement between the U.S. Department of Agriculture, the state land grant college and county government. The Cooperative Extension Service is a part of the Life Sciences and Agriculture of the University of New Hampshire. There is an Extension Office Representing UNH in each of the 10 counties throughout N.H. This gives participants and leaders of programs direct contact with the person administering the program. It is available to both boys and girls and it is a "learn by doing" involvement. It also is diversified and promotes the development of each individual's interest by allowing members to "Make their Best Better".

Our club meets for meetings once a month and is involved with local, county and state activities throughout the year. Our local activities include Operation Santa Claus, 4-H cookie sales, food baskets for the needy at Thanksgiving, entertaining residents at the N.H. Hospital, bringing cheer to Concord Hospital patients in October and dressing bears for the Salvation Army at Christmas. Our county activities include public speaking, favorite food show, demonstration day (photography & posters etc.), 4-H fashion review, Mini Fair and Hopkinton Fair.

We as a club offer sewing lessons, cooking lessons, a wide range of craft instructions, keeping written records of activities and scrap books. Our goal is to increase leadership capabilities, acquire knowledge and practical skills as well as encouraging them to do their best in all aspects of life.

Respectfully submitted,  
NANCY WEST  
Group Leader

## BOY SCOUT TROOP 75

Boy Scout Troop 75 is pleased to report another excellent year. All twenty-five of our scouts have had hours of fun camping, hiking, and advancing under the leadership of our Senior Patrol Leader Andy Richardson. Andy was assisted by a great leadership core consisting of his Assistant Senior Patrol Leader Tim McMillen and the three Patrol Leaders: Justin Abbott, Eric Kolada, and Bill Bennett.

During the scouting year we have had many major camping activities. These were highlighted by surviving three winter campouts: one cabin and ice fishing trip in January, and winter snow shelters in February and March. We ended our Scouting year in June with an orienteering hike and a troop feast where the boys treated their families and friends to delicious meals prepared over open campfires. In August, twenty of the twenty-five members of Troop 75 boys spent a week on the 4000+ acres at Hidden Valley Scout Reservation hiking, camping, fishing, and earning merit badges.

In addition to Troop 75 camps, we also attended two Wannalancit District camporees. In May, several troops returned to the Pemigawasset River to extend the section of the Heritage Trail our district began a few years ago. Then in October we participated in a four mile hike-in backpacking camporee at Windswept Farms in Canterbury.

Troop 75 performed a number of community service projects. This year was the best ever Thanksgiving season SCOUTING FOR FOOD drive. We would again like to acknowledge the enormous help from our friends in the Bow Girl Scouts in distributing over 2000 bags and collecting over 8200 food items. These were later distributed by the National Guard to local soup kitchens. Troop 75 also lent a hand to the Bow Recreation Department by making and serving hot cocoa at the Christmas Tree Lighting and hiding eggs on Palm Sunday for the Easter egg hunt. In July, we again parked cars at the Bow Summerfest and in October, Phil Shinkaruk, our Eagle Scout hopeful, began his eagle project by leading the troop on construction of a BBQ pit at the Albin Road ball field.

Troop 75 meets every Tuesday during the school year at the Bow Community Building from 7:20 pm to 9:00pm. Any boy between the ages of 11 and 18 is encouraged to come and join the fun.

Respectfully submitted,

Scoutmaster Troop 75  
DAVE COLANTUONI

## **LADIES AUXILIARY OF THE BOW FIRE DEPARTMENT 1992 ANNUAL REPORT**

During 1992 the Ladies Auxiliary held nine (9) meetings with an average of ten (10) members in attendance. Our meetings are held on the fourth Tuesday of each month at 7:30 p. m. at the Fire Station.

The purpose of the Auxiliary is to provide assistance to the members of the Fire Department as needed. This assistance may be monetary to obtain equipment not in the budget or by supplying drinks and food at fires or other activities.

Our meetings are open to all ladies in town, eighteen (18) years of age or older. Girls sixteen (16) to eighteen (18) may join as junior members.

Our activities for the year were as follows:

- Served supper for the Capital Area Mutual Aid Compact
- Sponsored two (2) dances in conjunction with the Fire Department
- Provided refreshments following a Mass Casualty Incident (MCI) drill held in town involving Fire/Rescue and other towns.
- Provided a "Soda Stand" at the town's Summerfest
- Provided meals for town officials at Election Days
- Provided Thanksgiving Baskets for needy families in town
- Sent remembrances to all sick and infirmed members

Officers for 1993 are as follows:

President:	Barbara Abbott
Vice-President:	Colette Leavitt
Secretary:	Mary Lougee
Treasurer:	Susan Audet
Sunshine Committee:	Kendra Ricard

Respectfully submitted

MARY LOUGEE  
Secretary

## BOW GARDEN CLUB

From March through December, members and guests of the Bow Garden Club meet at the Baker Free Library to participate in programs concerning horticulture, conservation, nature and wildlife.

Some of our programs were a "Wildflower Quiz" presented by Mrs. Parker Shaw; "Bird Lore" presented by Mrs. Wesley Haynes; "Small and Miniature Design", a workshop presented by Mrs. Theodore Thomas; and "Dried Arrangements" by Mrs. Mauly Morris.

Our fund raiser this year was a Holiday House Tour that required our members to participate in monthly workshops beginning in August. Three local homes were open to the public decorated with Thanksgiving and Holiday decorations and floral arrangements. Balsam, fir and juniper evergreens were gathered and donated to the club by the Bow Rotary and Girl Scout Brownie Troop 671. Donations from these two groups and hard work on the part of our 27 members allowed the Garden Club to support the Concord High School Prom Party, the Lilac Endowment Fund, give scholarships to the Conservation Camp and a gardening book to the Baker Free Library, donate to the Betty Helm Scholarship Fund and the Federated State Headquarters Fund, provide two families from Bow with Thanksgiving baskets and give Bow Memorial School graduates corsages and boutonnieres on the evening of their graduation. Donations were also made to the Salvation Army for their Florida Relief Fund and the Town of Bow for the digging of the artesian well at the Old Town Hall. Table decorations were made for the Bow Rotary Club Recognition Dinner. Barrels were planted at the Baker Free Library, Town cemeteries and Town Hall and Christmas wreaths were made and hung on all of our Town buildings.

At our New Hampshire State Federation Annual Meeting, Mrs. Vincent McCarthy was awarded the Silver Seal Citation for her contribution and dedication to our club. Our annual meeting in December commenced with Mr. Lawrence Smith and Mrs. William Wheeler being recognized for their years of service and as being two of our Charter Members.

Our President for 1993-1995 will be Mrs. Carl Jorda. Monthly meetings are very educational and informative. New members are always welcome and we invite you to join us.

MRS. JOHN W. MUELLER  
1990-1992 President

## SWIFT WATER GIRL SCOUT BOW SERVICE UNIT

I am pleased to report this year the Bow Service Unit of Swift Water Girl Scouts has 14 registered troops. There are 182 girls between the ages of 5 years and 18 years old. We have many adults that volunteer many hours to make our program a success. Our troop leaders continue to provide a varied, exciting and creative program while developing leadership skills among the girls. The Bow Service Unit this year received recognition as an "Outstanding Service Unit" in Swift Water Council.

This year was our 85th birthday of Girl Scouts in the United States. The theme for this celebration was the environment. The troops in town did many service projects with this theme in mind. Troops cleaned the playgrounds, school yards, planted flowers, raked areas, and planted shrubs.

Our 4th Camporee was a success and it was the first time it did not rain, but it was very cold during the night. A special thank you has to go to the Camporee committee; Holly Wentworth, Dorothy Cohen, Jeryl Dickson and Linda Carson. Many camping skills were learned, along with many interesting meals that were cooked, barbecued, or roasted on vagabond stoves, in trash cans, on sticks, reflector ovens or in a campfire.

This year the Bow Service Unit honored one of their leaders for all of the time, energy and creativity that she has given over the years to the Girl Scout Program in Bow. Holly Wentworth received the Outstanding Leader Award. Holly has been a leader for over 14 years, a town cookie manager, age level consultant, trainer and camporee committee chairperson.

The Bow Service Unit has an ongoing commitment to service. All the troops in Bow do at least two service projects. This year all the troops will be making bears for the "Hug-a-Bear" project sponsored by the Telephone Pioneers.

The girls continued to participate in the sleep-overs at the Boston Children's Museum, Boston Science Museum, and the Montshire Museum. Our Cadette troop went to Washington, D.C., for 6 days at a cost of only \$45.00. There was a lot of planning and fund raising that made this a successful trip. There are many field trips throughout the year.

All girls between the ages of 5 to 18 are encouraged to join the largest women's organization in the world. There are many things to do and learn. Be a Girl Scout!

Respectfully submitted,

MARIE McMILLEN  
Service Unit Manager

## BOW HISTORICAL COMMISSION

Meetings of the Historical Commission have been held this year at the Municipal Building on Grandview Road. In the past year the Rotary Club has again donated time and labor for renovation and improvements at the Old Bow Town Hall on Bow Center Road. At the time of this report, the walls have been refinished and papered. The floor has been sanded and has received the final coat of varnish. In the spring it is hoped that improvements can be started on the kitchen.

A recent meeting was held with the Selectmen to discuss renovations underway at the Old Bow Town Hall and to help define the powers and duties of the Commission. Also, the Selectmen were requested to prepare a warrant article for 1993 which would establish four historic districts in town: the town pound, Bow Bog Meeting House, Bow Center Town Hall, and Bow Center School.

We would be happy to hear any ideas or thoughts as to other ways the Commission could be of help. Please feel free to contact a Commission member.

Respectfully submitted,

MELBA TERRELL, Chairman

JOHN LYFORD

SARA SWENSON

JANE LINDQUIST, Secretary

## BOW COMMUNITY MEN'S CLUB

Thanks to the effective leadership of Ray Helgemoe as President for the last two years, the Bow Community Men's Club (BCMC) is again a viable civic and service organization in this town. Although Ray has stepped down as President this year, he remains a supportive and active member of our Executive Committee.

BCMC holds its dinner meetings in the Community Center at 6:30 pm on the fourth Thursday of each month from September through May. Membership is open to all male residents of Bow and surrounding communities, eighteen years of age and older; and we welcome new members who are interested in meeting and working with fellow Bow residents to help make this community a better place to live.

After our Annual Clam and Lobster Bake in September, the Club's major fund raisers continue to be our infamous BCMC Breakfasts. This year, we will hold four of these special events at the following times of the year:

Early December	—	Holiday Breakfast
January 1st	—	New Year's Champagne Breakfast
2nd Week of Feb.	—	Valentine's Day Breakfast
3rd Week of Mar.	—	St. Patrick's Day Breakfast

In addition to a New Year's Eve Dance, BCMC will need to conduct one other special fund raiser this year to support our commitment to donate \$1,500 toward the installation of an artesian well at the Old Town Hall. This commitment is intended to support the efforts by the Bow Rotary Club and the Town Selectmen to turn a deteriorating town building into a valuable town asset. With the work already accomplished by the Rotarians and some additional support by the town, the Old Town Hall can again be a place where many of Bow's civic, fellowship, recreational, and service organizations can hold their meetings. This will help to take some of the scheduling pressure off the heavily used Community Center.

This year's primary work project for the Club is the clearing of brush and dead trees from the woods, south of the Community Building between Bow Center Road and the Town Pond. That area has become so choked with underbrush that the view of the pond from Bow Center Road is almost totally obscured.

BCMC supports, either with work by its members or through its sponsorship, the following community activities:

AAU Basketball – Three Bow Students Participated in '92  
Bow Athletic Club  
Bow Cub Scout Pack 75  
Bow Boy Scout Troop 75  
Bow Welfare  
Citizen of the Year (Leon R. Tucker in 1992)  
Eagle Scout Projects  
Eighth Grade Camp – Bow Memorial School  
Election Day Workers – Lunch and Supper Served  
Friends of Forgotten Children  
German Club – Bow Students at Concord High  
Landscaping Project – Community Building  
Summerfest

Winterfest  
and others involving Bow residents

Through the Frank Bailey Memorial Fund, BCMC supports the annual presentation of four \$100 U.S. Savings Bonds to students in the graduating class of Bow Memorial School. These bonds are awarded on the basis of community service and scholarship.

Anyone interested in renewing their membership or joining with the Bow Community Men's Club to work toward improving the quality of life in Bow, please call me at 224-4781 or any of the other officers.

Respectfully submitted,

TOM WALLACE, President  
DICK WELCH, Vice President  
KERRY MOLIN, Treasurer  
DAVE COLANTUONI, Secretary

## BOW PIONEERS SNOWMOBILE CLUB

The Bow Pioneers Snowmobile Club is a non-profit organization incorporated twenty years ago for the purpose of promoting and enhancing the sport of snowmobiling.

We are dependent upon the local landowners for our trails. Through their cooperation, we are able to maintain fifty miles of winter recreational trails that are used by the snowmobiler, hiker, and cross country skier.

Club activities include fundraisers, raffles, club rides, cookouts, potluck suppers, dances, and a landowner appreciation dinner. Also, delegates attend planning board meetings, Heritage Trail meetings, and other club - state meetings.

We have supported a softball team through the Bow Athletic Club. The New Hampshire Easter Seal Society will benefit again this year from our part in the annual charity ride in. The club donated \$1,005.00 to the Easter Seals "Camp Sno-Mo." The Bow Pioneers have over the years contributed in excess of \$20,000.00 to the children of Easter Seals.

Our club meetings are held at the Community Center on the third Thursday of each month at 7:30 pm from September through April. We invite all snowmobilers and trail users to join us. Our annual dues of \$10.00 per single or \$20.00 per family also includes dues to the New Hampshire Snowmobile Association. Contact any one of the officers or directors for more information or call our "Club Sno-Phone" at 228-0661.

## **BOW SA DO SQUARE DANCE CLUB**

At the BOW SA DO SQUARES you'll find smiling faces and helping hands to welcome you in your learning to square dance.

This learning requires listening to the caller's directions. Added to this is the fun, sense of accomplishment and the friendliness of the dancers. Arm and leg movements provide a soft aerobic benefit. Smoothness and mastery occur in time.

The BOW SA DO SQUARE DANCE CLUB "square up" on the second Saturday of each month at Bow Memorial School from 8:00 to 11:00 pm. Our club motto is "WE SHARE THE FUN!" Come share it with us. Square dancing is friendship set to music. An Introduction To Square Dancing will be offered in early September at Bow Elementary School at 7:00 pm. Wear comfortable clothes.

April 25 and 26, 1993 thousands of dancers will meet for the 35th Square and Round Dance Convention in Manchester, NH. Come, visit and see for yourself the fun and enjoyment of square dancing.

For additional information about square dancing just call 224-6639 or 225-6234. You'll be happier and healthier when you do.

## BOW YOUNG AT HEART CLUB – 1992

The end of the year finds us with a membership of 75 and 3 honorary members. 15 new members have joined during the year and 3 honorary members have died.

15 meetings were held during the year at the Bow Mills Methodist Church with an average attendance of 39 members.

1992 has been a busy year with fund raising events such as a yard sale in May, the Rotary Recognition Night supper in June and our annual fall fair in October. In addition we thank the Rotary Club for their donation to the club.

Our annual picnic was held at the Flagg grove in July and our Christmas party was held on December 9th at the "Lantern" in Manchester. Both events were well attended.

Four trips were taken during the year and we had five speakers at our meetings. In March we were entertained by the Hooksettite Entertainers and slides on Portugal and Iceland were shown at two of our meetings.

The visiting nurse has been attendance at two of our meetings to take blood pressures.

Several members have distributed the surplus food for the town.

Arm bands were made by some members for the Bow Recreation Department.

Our thanks go to Chuck Christy, Recreation Director, for all his help and to all others who have donated to our club in any way.

Respectfully submitted,

CARL STRAND, President

THERESA CAPOZZI, Vice President

JENNIE BOONE, Secretary

LESTER HOLT, Treasurer

ALLEN BOONE, Executive Comm.

HERBERT CATE, Auditor
